

The Monthly BUZZ

KINDNESS CHALLENGE

See what you can do
to be more kind!
Slide 5

Welcome

Welcome to the third issue of the Heritage School Newspaper! This issue will be the second to last issue. For the next newspaper, we will be trying to get a lot of people to help out. If you would like to help us finish this years school newspaper, then send me an email at sankarar@salinehornets.org or at rasmets@gmail.com. That way we can all finish up this school year on a good note!

Sports

The Super Bowl

In Super Bowl LVII the Chiefs went against the Eagles. They had the same record of 14 and 3. Going into it was two completely different halves. The Eagles dominated the first half and the Chiefs came back and destroyed in the second half. The teams were super similar, they scored the same amount of points in the season. The Chiefs had the reigning MVP Patrick Mahomes and the Eagles had the 2nd best QB in the league Jalen Hurts.

Patrick Mahomes was also named Super Bowl mvp. The turf was a new kind called Tahoma 31 but some players were sliding and sticking to it. 113 million People watched the Super Bowl, the most in 6 years. Most people who watched the Super Bowl knew who Travis Kelce is, but his brother Jason Kelce is on the Eagles. State Farm Stadium almost reached its capacity. There were 67'827 people in the State Farm stadium out of its 72'000 available seats.

Heritage kindness challenge!

This week and, well, every week, we encourage heritage students and staff to take part in our kindness challenge! In this challenge, we will be kind, respectful, and responsible by completing kind, and helpful tasks by picking up trash, helping friends, and being nice to people! After this, rate yourself out of 10 on how you did, it might just make you feel better about yourself! If you are looking for challenges, please take note of the picture over here! 

EXTRA CHALLENGE!

Can you complete more than five of these kindness challenges?

School News

Who Was History Bee

As you all may know, every one of us was entered in the History Bee to find who is the next “Who Was?” legend to represent our school. I would like to make a shout out to Everett in Mr. Burnhams class for doing so well, getting into the semi-finals and being the person to represent our classroom, but the person we will all be wishing good luck for the finals is...Victoria Perez, from Mrs. Peet’s class. With her winning question, “This man invented the electric lightbulb and the phonograph. Name him.” And answer, “Thomas Alva Edison.” Again congrats to Victoria and we all wish you good luck.

School Info

Blue and Gold Tickets

Blue and gold tickets are what Heritage uses to reward good behavior.

You can use these tickets to earn awards and buy stuff at the school store. But both of these types of tickets both serve a different purpose. This will tell you all you need to know about blue and gold tickets! Blue and gold tickets both are the only two colors of tickets in heritage. I am adding this because there are things about red, purple, and green tickets that people are talking about. Yes, they do exist but are not used in heritage. So for now, there are only blue and gold tickets. Blue and gold tickets serve a different purpose, like how gold tickets are used to earn the golden shoe award and how blue tickets are used to buy stuff at the school store. Gold tickets are unlike blue tickets. When blue tickets are rewarded to you by your behavior, gold tickets are awarded by not only you, but your whole classes behavior. This is like in the hallway, or in specials, or anywhere else in heritage. If you collect enough gold tickets, then you will have a chance at winning **the golden shoe award**. The golden shoe award is given to one fourth grade class and one fifth grade class. This award is available by getting the most gold tickets in your grade. If you win the golden shoe, then you will have the award until the next community meeting at heritage. Gold tickets are not used to get the golden recess award, the golden lunch tray award, and the golden lunch tray award. Gold tickets are not spent at the school store, but blue tickets are. Unlike gold tickets, blue tickets are rewarded to you by your own behavior. Blue tickets are awarded to you by any staff member at heritage. So if you get a blue ticket, you can spend it at the school store. And if you save up enough, you will be able to buy special passes to make your experience at heritage better! But, if you don't have enough, there is a solution, every community meeting, one winner from each pod who writes their name and teacher on a blue ticket will have a chance to win the **GIANT BLUE TICKET!** With this ticket you can buy anything at the school store! No matter the price. But, it can only be used once. So if you buy any item with this ticket then you will have to give it to your student representative and it will be given to someone else in the next heritage community meeting. So far, only six people have gotten this one of a kind award. Who could be the next? I hope you liked this article and good luck to all!

Tune in for the next Heritage info!
